

## SCHOOL LOGO IRON-ON BADGES - £1.50 each

The school is now able to offer MBLs logo iron-on badges – these are available to purchase from the Front Desk at £1.50 each. An instruction sheet is provided with each purchase.

All you need to attach the badge is:

- An iron
- A Sheet of Kitchen Paper
- A flat and sturdy work surface

The heat seal backing creates a strong, fully machine-washable bond and because there is no sewing involved, anyone can achieve a professional-looking finish.

There are sample school uniform garments, with the badges already applied, for you to examine at the Front Desk.

The embroidered-logo school wear is still available from our uniform suppliers, Mapac. The iron-on badges offer the option to purchase non branded uniform and personalise it with the school logo.
